- ◆ Early Release at 12:15 P.M. on Nov. 24.
- ◆ No School on Nov. 25-26

Principal's News

It is a pleasure to be serving as the acting principal of Wainwright Elementary School. I will be here until Principal Williams returns.

I have been a school principal for 23 years and thoroughly enjoy the working with students, parents and staff in challenging times when learning is an essential part of living a happy and productive life. I was fortunate to teach for 13 years before becoming a principal and loved the excitement of being in a classroom each day with my students. I look forward to serving the Wainwright community during the weeks that follow.

One of our main goals at Wainwright is to help our students each day make excellent decisions regarding learning, behavior and developing meaningful relationships. Their success is our success. We need your help every day. We need you to send your child to school each day on time. Please have them here by 8:50 because the entry bell rings at 8:55. Leave your house in time to arrive at school on time. Please plan your day so that your child remains at school every day until 3:30 P.M.

Dear Parents,

Due to the importance of your child's instructional schedule, we are requesting that parents set up an appointment to talk with the teacher if you have special concerns. Right before class and when class is dismissed are not the best times to talk. Please call the office between 8 A.M.-4:00 P.M. or your child's teacher before 8:45 A.M. or after 3:45 P.M. to set up a time to meet. We value your concerns and are happy to meet with you.

The Wainwright Staff

Mrs. Wick, Acting Principal

Please plan all appointments, errands and trips after 3:30 or on non-school days. Every minute of instruction and learning is critical and we need your children's voices in our classrooms.

It is very important that you read with your child each night. Have your child read to you, too. Play math games and help your child learn to add, subtract, multiply and divide numbers. Measure with your child and give them difficult word problems to solve. Make it fun! Do it together. Help your child write wonderful stories. Also, have them write essays based on facts. Have your child write persuasive essays when they want to do something or purchase something. Again, make it fun!

Please stop by and say hello! I'm here to serve your family.

Mrs. Wick
